

Hi _____,

I just flew in from Santa's workshop, and WOW, things are BUSY up there! 📺📺 The elves are working their little pointy shoes off. But we have run into a teeny, tiny problem... 😞

We are making a record number of toys this year and we need some more 😬 That's where YOU can help. Do you have any toys at your house that you don't play with anymore? 🧸🚂

If you do, place them in a bag and leave them next to me tonight. ✨ With a dash of glitter ✨, a sprinkle of elf dust ✨, and a WHOOSH of magic, I'll transform them into something new and wonderful for another child to love! 🎉🧡

Your kindness will make Santa's magic grow even brighter! ✨👴

Thanks a million, my super helper! 😊

🎄 Big sparkly hugs,
